BROWN RICE

100% Sortexed

The top choice in terms of both nutritional and other inherent healthy benefits. Brown rice is considered a whole grain that hasn't lost its "wholeness" through the refinement process. It is high in manganese, thiamine, healthy omega-oils, antioxidants and fibers that make it perfect for promoting weight loss.

Standard Specs of Brown Rice

	Class 1	Class 2	Class 3
Broken max. %	3	6	10
Moisture max. %	14	14	14
Impurities max. %	0.25	0.5	0.75
